

ISO 9001:2015 vs. ISO 9001:2008

(A side by side comparison)

Many people are understandably curious about how the new ISO 9001:2015 stacks up against the existing ISO 9001:2008 standard. Perry Johnson Registrars has prepared this report to offer you greater insight into the comparison, and to illustrate that much of the new ISO 9001:2015 standard has already been present in the existing ISO 9001:2008 standard. The most obvious change is that the 2015 standard is presented in 10 sections, required per Annex SL.
